Rochester Award Program Honors the Achievement

ROCHESTER September 28, 2022 -- RX Team Home Health Care LLC has been selected for the 2022 Best of Rochester Award in the Home Health Care Service category by the Rochester

Award Program.

Each year, the Rochester Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Rochester area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2022 Rochester Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Rochester Award Program and data provided by third parties.
